

Sr. Monica Mary Ncube, CPS

Newly elected Superior General

Dear friends,

Thank you for your prayer support during our General Chapter and the election of our new Superior General.

We are delighted to introduce to you Sr. Monica Mary, presently the Provincial Superior of our North American Province, who was born in Plumtree, Zimbabwe, in 1949. From 1978-1982 she trained as a nurse in the US and worked on different mission stations in Zimbabwe, and in 2005 she was transferred to Canada.

We are grateful to God and to Sr. Monica Mary for her 'yes' to this great task as the 8th Superior General of the Missionary Sisters of the Precious Blood.

With gratitude for your support,

the Missionary Sisters of the Precious Blood
