

**THE MIRACLE OF HIS BIRTH,  
THE WONDER OF HIS LOVE,  
THE HOPE IN HIS PROMISE.**

Thinking of you at Christmas  
and wishing you the peace that Christ alone can give.  
Let our hearts be filled with hope and love  
As we praise God for sending His only Son  
so that we might have the everlasting light of salvation.

We, the Missionary Sisters of the Precious Blood  
Of the North American Province,  
Wish you and your loved ones a  
Very merry and blessed  
Christmas.
